Coach Attendance

Head coaches must make an effort to attend all of their program sessions. If they are not able to attend, a qualified assistant coach in attendance must have a copy of the athletes' medicals. A qualified coach is defined as someone who has taken the SOC Competition Sport Workshop offered through SOBC.

Athletes may not commence a session without a coach in attendance.

Proper sports attire

Coaches and athletes must wear appropriate sports attire to practice and competitions. This includes footwear, track pants, shorts, T-shirts, etc. Jeans may not be worn.

Coaches should wear something that identifies them as a coach.
